9. Click **Create account**.

The screenshot shows the IBM Cloud account creation interface. At the top, there's a dark header with "IBM Cloud" in white. Below it, the page is divided into two main sections. The first section, titled "2. Verify email" with a green checkmark, states "Your email is verified." and has an "Edit" link. The second section, titled "3. Personal information" with a green checkmark, shows "Personal account" for "Howard Doe" in the "United States", also with an "Edit" link. A prominent blue button labeled "Create account" with a right-pointing arrow is highlighted with a red circle. Below this button, there's a section for marketing preferences: "IBM may use my contact data to keep me informed of products, services and offerings:". It includes two checked checkboxes: "by E-mail" and "by telephone". A paragraph explains that users can withdraw consent at any time by submitting an "opt-out request" or by clicking an unsubscribe link in emails. It also mentions that more information can be found in the "IBM Privacy Statement" and that the user acknowledges having read and understood it. Finally, the user accepts the product "Terms and Conditions" of the registration form.

10. You may or may not have to login. If not prompted to login, skip to the next step. Otherwise, to log in, enter your **IBMId** and click **Continue**. Enter your **Password** and click **Log in**.

11. You should be taken to the Acknowledgement page. Scroll down and click on **Proceed** after reviewing the Privacy Information and acknowledgement.

Your rights

Our [Privacy Statement](#) provides more information about your personal data rights. It also provides contact information if you have questions or concerns regarding our handling of your personal data.

Acknowledgement

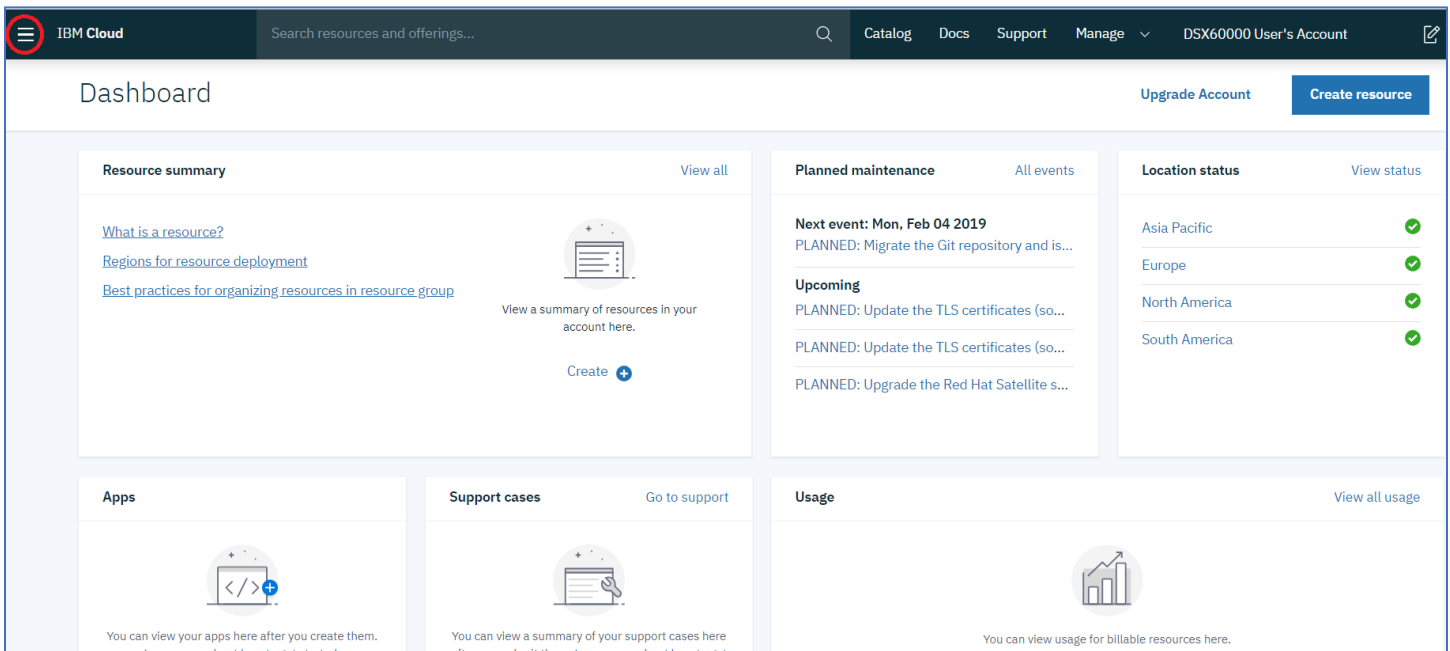

I acknowledge that I understand how IBM is using my Basic Personal Data and I am at least 16 years of age.

12. You are now on the IBM Cloud landing page. Click on the hamburger icon  in the top left area of the screen

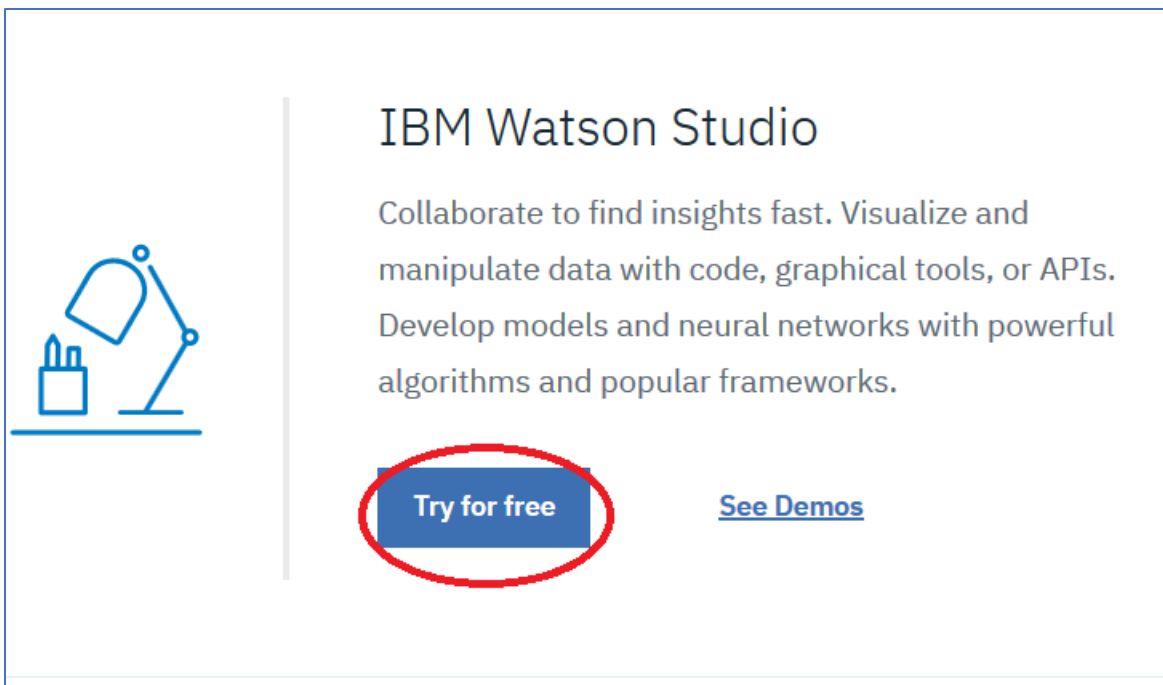

The screenshot shows the IBM Cloud dashboard. At the top, there is a dark blue header bar with the IBM Cloud logo on the left, a search bar, and navigation links for Catalog, Docs, Support, and Manage. On the right of the header, it says 'DSX60000 User's Account' and has a user icon. Below the header, the main content area is titled 'Dashboard'. On the right side of the dashboard, there are two buttons: 'Upgrade Account' and 'Create resource'. The dashboard is divided into several sections: 'Resource summary' with links to 'What is a resource?', 'Regions for resource deployment', and 'Best practices for organizing resources in resource group', and a 'Create' button; 'Planned maintenance' with a 'Next event: Mon, Feb 04 2019' and a list of planned events; 'Location status' with a table showing status for Asia Pacific, Europe, North America, and South America; 'Apps' with a 'Create' button; 'Support cases' with a 'Go to support' button; and 'Usage' with a 'View all usage' button.

Location	Status
Asia Pacific	✓
Europe	✓
North America	✓
South America	✓

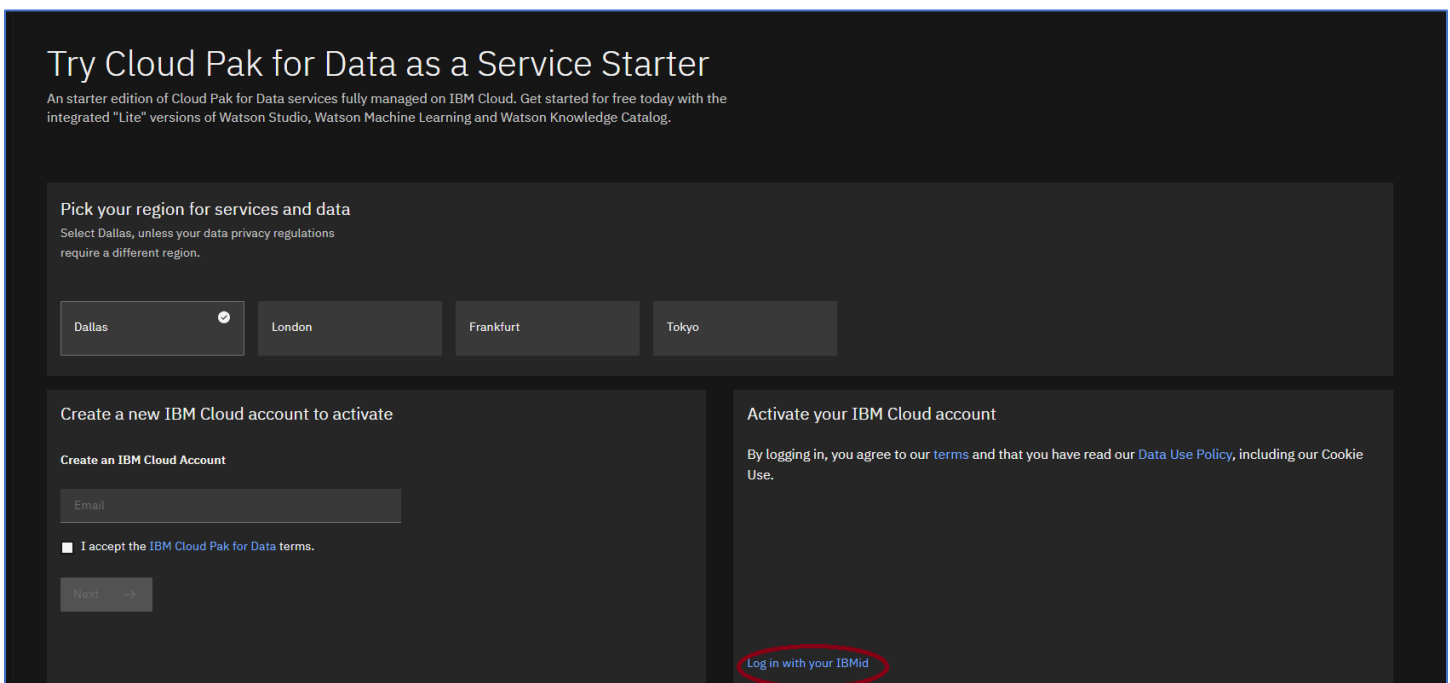

13. Scroll down and click on **Watson**.

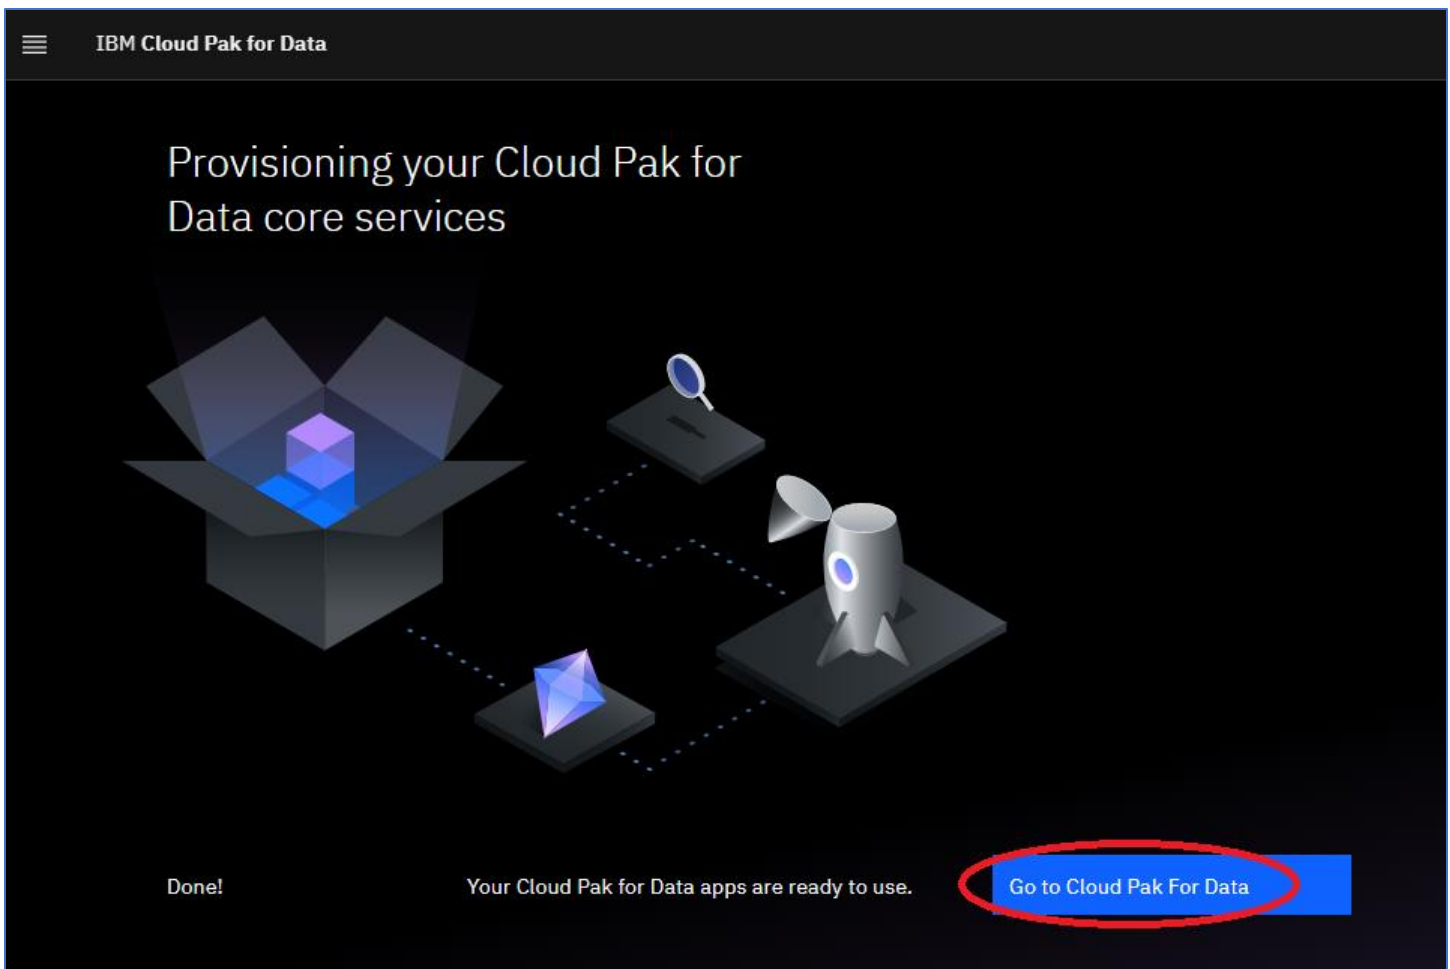

14. Scroll down and click on **Try for free** under IBM Watson Studio

15. Scroll down if necessary and click on **Log in with your IBMid**.

16. Please wait until you see the following screen (you may see an intermediate screen first), and then click on **Go to Cloud Pak For Data**. The Cloud Pak for Data starter edition contains “Lite” versions of Watson Studio, Watson Machine Learning, and Watson Knowledge Catalog.

17. You are now at the Watson Studio Home page.
